Everywhere there are boys; some
happy, some sad. They're all my busi-
ness. I'm a girl. My name is

----- P.M. My partner, -----

-----, picked me up.

He pinned on a -----,

my badge for the night. Our beat —
the 206 Prom, Philmont Country Club.

----- P.M. We arrived at the Club.

Though on assignment we were car-
ried away by the music and danced to

Bobby Roberts' rendition of -----

----- P.M. The music stopped and

we sat down to a dinner of -----

----- A.M. The show.

----- A.M. The music started again.

We danced. While dancing we saw

----- & -----,

----- & -----,

and ----- & -----

working with us on this beat.

----- A.M. Tired, happy, satisfied
we left the Club.

----- A.M. We arrived at -----

-----'s for -----

----- A.M. Really tired, really hap-
py, really satisfied, we arrived at
