Marlene Greenspun and I were married in 1960. After graduating from Temple University, I worked at Wanamaker's for one year. As a part of my ROTC commitment, I was commissioned as a Second Lieutenant in the U.S. Army. Marlene and I moved to Monterey, California, where I was stationed at Fort Ord for two years. I also served in the Army Reserve for several years and was honorably discharged as a Captain.

In 1965, I started working for Spencer Gifts, which was then a small company. Marlene and I moved to Margate, New Jersey. We have two sons, David and Bob. David is co-owner and operator of the Miniature Golf Course on Atlantic City boardwalk and he also books musical acts. He has two wonderful children, Alex and Hope. Bob was a Ringling Brothers Circus clown and is now the official Ronald MacDonald in Seattle. He and his wife Jillian just had a baby daughter, Lila Marlit Tacher Greenspun.

In 1997, I retired from Spencer Gifts after 32 years. Sadly, Marlene passed away in 2000 after we built our dream home on the bay in Margate, NJ. After my mourning period, my good friend Ben Aiscowitz introduced me to his daughter Linda. She has lovingly stayed by my side and has given of herself even after my stroke, in 2002, when I was in an unconscious state for six months. We were married on July 1, 2003. Her daughter Molly has been an added joy in our lives.

I ran two marathons, Philadelphia and New York. My passion is photography and I was instrumental in developing a name for a photography club called "Stay Focused."

I have been further blessed with many wonderful relatives and friends. A Special place in my heart goes out to my fellow classmate and dear friend, Frank Hall and his wife Kit.

The message I want to pass on to my fellow classmates is to make every day count.
